

Little Island Landscape Guide

December 2023

📷 🌐 📘 🎵 | @LittleIslandNYC

Featured Fruits: Berries

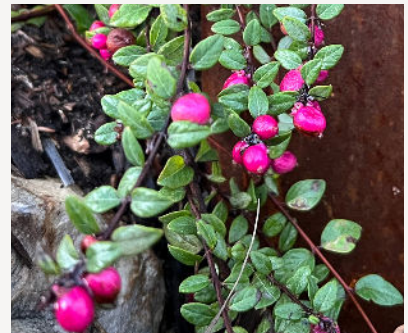

During this season, our landscape comes alive with a variety of berries, offering a nutrient-rich treat for various bird species on chilly days.

Ilex verticillata
'Red Sprite' (Winterberry)

Rosa rugosa

Symphoricarpos x chenaulti
'Hancock'

Juniperus virginiana
'Canaertii'

Coronula kousa
var. *chinensis*
'Milky Way'

Featured Trees & Evergreens

Our evergreens were specifically chosen for the colorful hues they unveil during the winter and the ones in The Play Ground also serve a practical purpose to protect you from the cold winter wind and the noise from the highway.

Pinus mugo
'Winter Sonne'

Microbiota decussata

Thuja occidentalis
'Elegantissima'

Juniperus procumbens
'Nana'

Pinus cembra
'Swiss Stone Pine'

Featured Plants: Ornamental Grasses

At Little Island during the fall season, the ornamental grasses create a spectacular display of swaying feathery plumes sway in the crisp autumn air. Vibrant hues of gold, bronze and crimson not only add warmth but introduce, and movement to our gardens.

Astilbe chinensis
'Purple Candles'

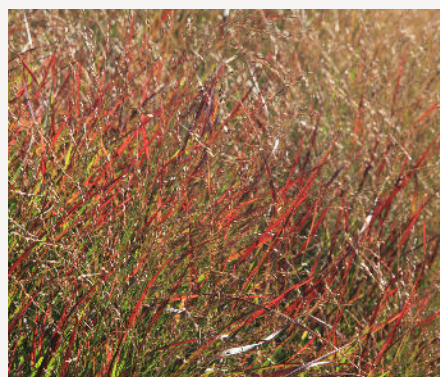

Miscanthus sinensis
'Gracillimus'

Miscanthus sinensis
'Morning Light'

Muhlenbergia capillaris

Panicum virgatum
'Shenandoah'
